Blackboard Connect service enables Village officials to schedule and send informative voice messages to households and businesses. Future messages may contain notifications about water breaks in your area, or remind you of a Village Project, such as Clean-Up Week. If you wish to opt-out, please visit us on the web at www.villageofnorridge.com and click on the Blackboard Connect icon or complete this form and return it to Norridge Village Hall. By opting out of this service you will not be notified via our emergency notification system. I hereby understand the above and agree that I will not be notified.
