Blackboard Connect Call – August 7, 2020

Door-to-Door Census visits have begun in the area for those who have not yet responded to their Census survey. Census takers will follow all CDC and local guidelines when they visit. They have been required to complete a virtual COVID-19 training on social distancing protocols before beginning their work in the field. Census takers can be easily identified by a valid government ID badge with their photo, a U.S. Department of Commerce watermark, and an expiration date on the badge.

If you have any questions, please contact the Norridge Village Hall at 708-453-0800.
