BUILDING DEPARTMENT

Village of Norridge • 4000 N. Olcott Ave. • Norridge, IL 60706 • P 708.453.0311 • F 708.453.1971 • buildingdepartment@villageofnorridge.com

BUILDING DEPARTMENT FOR YOUR SAFETY

INSPECTIONS: It is the responsibility of either the contractor or the homeowner to obtain all required trade inspections. Appointments are to be made not less than 24 hours prior to the inspection date and time requested. All exposed construction materials, during the course of the project, will be brought up to applicable code requirements. Additional trade permits may need to be applied for once any existing violation is discovered. A “*rough inspection*” is required before all permitted work is either closed over or covered over for all trade codes involved in the project. A “*final inspection*” is required upon completion of all permitted work prior to the expiration of the permit. All inspection reports must be available to the inspectors on the job site. All work must be visible to the inspector.

If the permit expires prior to the final inspection it must be renewed and additional fees will be required.

Permission is granted for Village of Norridge Building Inspector to enter the property for observation of a permitted project or verification of application for permit.

This inspection can be by either appointment or by absence of property owner or principle agent contracted to perform trade work as stated on permit.

Building Codes Enacted by the Village of Norridge

Illinois Accessibility Code 2018	International Property Maintenance Code 2018
International Building Code 2018	International Residential Code 2018
Illinois Plumbing Code 2014	International Solar Energy Provisions 2018
International Energy Conservation Code 2018	International Swimming Pool and Spa Code 2018
International Existing Building Code 2018	International Urban-Wildland Code 2018
International Fire Code 2018	National Electric Code 2017
International Fuel Gas Code 2018	NFPA Life Safety Code 2015
International Mechanical Code 2018	Village Amendments

Failure to obtain a “rough inspection” may result in the inspector requiring removal of any building materials or fill to observe workmanship and code requirements. Failure to obtain a “final inspection” prior to the expiration of the permit will result in penalties and fines. By signing Building Department forms, I certify the information on this application is correct and complete.
