President's Report

President Tannhauser stated

- (a) Declaration of Local State of Emergency – Supplement #8, was issued and signed by President Tannhauser on November 4, 2020 and will be in effect until November 30, 2020.
- (b) Village President's Executive Order Relating to the corona virus pandemic, Supplement #9 was issued and signed by President Tannhauser on November 4, 2020:

1. **Supplements and Continues Prior Executive Orders.**

A. This Village President's Executive Order #9 supplements and continues my previous Executive Orders dated March 23, 2020, April 8, 2020, April 27, 2020, May 29, 2020, June 16, 2020, June 30, 2020, August 10, 2020, September 21, 2020 and October 7, 2020.

B. **Garage and Estate Sales.** Garage and Estate Sales are permitted subject to compliance with Governor Pritzker's Phase 4 Guidelines and new mitigation restrictions issued by Governor Pritzker on October 26, 2020 and effective Wednesday October 28, 2020. Face coverings, six (6) foot social distancing, and limitation of the lesser of 25 persons or 25% of overall capacity both indoors and outdoors are required.

2. **Authority.** This Executive Order is issued by me under my authority as Village President and Local Liquor Commissioner pursuant to Chapter 26 of the Revised Municipal Code of the Village of Norridge - 2002 and Ordinance 1986-20 and Village Code Chapter 6, Section 6-43 8.e. wherein the Local Liquor Commissioner shall have the authority to amend, alter, suspend, or revoke, or expand regulations relating to those license classes subject to regulation under the Village Code, with reasonable notice to affected licensees, by executive order during the effective period of the Gubernatorial Disaster Proclamation and subsequent Executive Order 2020-07 and the Gubernatorial Disaster Proclamation dated September 18, 2020, Executive Order 2020-55, and Executive Order 2020-63 without the prior approval of the Village Board of Trustees.

3. **T-E Licensees – Indoor Dining and Outdoor Dining and Service of Alcoholic Liquor.** During Phase 4 of the Restore Illinois Plan and the Declaration of Local State of Emergency, the Local Liquor Control Commissioner of the Village may, subject to Phase 4 of the Restore Illinois Plan and Village Ordinance 1994-20 permit a holder of a T-E license to continue to provide outdoor dining and/or service of alcoholic liquor in accordance with the Phase 4 Restore Illinois Plan Guidelines for Restaurants and Bars until June 2, 2021. However, the resurgence of the Covid-19 virus throughout the State of Illinois and Suburban Cook County has caused the Governor to issue enhanced mitigation measures for restaurants and bars. The sustained increases seen in Suburban Cook County (Region 10) exceeds the thresholds set for establishing mitigation measures under the state's Restore Illinois Resurgence Plan. New mitigation restrictions issued by Governor Pritzker in Governor's Executive Order 2020-63, effective October 28, 2020 are as follows:

Bars

- No indoor service
- All outside bar service closes at 11:00 p.m.
- All bar patrons should be seated at tables outside
- No ordering, seating, or congregating at bar (bar stools should be removed)
- Tables should be 6 feet apart
- No standing or congregating indoors or outdoors while waiting for a table or exiting
- No dancing or standing indoors
- Reservations required for each party
- No seating of multiple parties at one table

Restaurants

- No indoor dining or bar service
- All outdoor dining closes at 11:00 p.m.
- Outside dining tables should be 6 feet apart
- No standing or congregating indoors or outdoors while waiting for a table or exiting
- Reservations required for each party
- No seating of multiple parties at one table

Phase 4 regulations regarding the seated area capacity of restaurants and bars as set forth in my Executive Order Supplement #8 are halted during the suspension of indoor dining and indoor bar service in Region 10 (suburban Cook County). Phase 4 regulations regarding indoor dining and bar service will be reinstated when the positivity rate in Region 10 averages less than or equal to 6.5% over a three-day period, there is a decrease in hospital admissions for COVID-19 like illness over a three-day period, and the three-day rolling averages of ICU bed availability and medical/surgical bed availability is greater than or equal to 20% over a seven-day period. Only then will Region 10 return to Phase 4 mitigations under the Governor's Restore Illinois Plan. Conversely, if the average positivity rate continues to increase over seven out of 10 days and the hospital admissions for COVID-19 like illness continues to increase over seven out of 10 days, more stringent mitigations can be applied. If the metrics remain stable, the region will continue to be monitored.

Employees are required to wear face coverings over their nose and mouth where maintaining a six (6) foot social distance is not possible at all times. Patrons should wear face coverings over their nose and mouth while on premises, except while eating and drinking at table (exceptions can be made for people with medical conditions or disabilities that prevent them from safely wearing a face covering). Updated DCEO *Safety Guidelines For Patrons of Restaurants and Bars* effective August 26, 2020, reiterate that Patrons wear face coverings over their nose and mouth:

- a. When approached and serviced by establishment employees, including but not limited to, when employees take patron orders, deliver food and beverages, and service tables, whether dining indoor or outdoor; and
- b. When picking up carry out orders, and
- c. Are encouraged to wear face coverings over their nose and mouth when picking up food at a drive-thru window, and, each of these new or updated DCEO guidelines are included as requirements in this Executive Order Supplement #9.

Exceptions to the Protective Face Covering requirements are:

- a. Children under two (2) years of age, or for those with medical issues that would be compromised by wearing a face covering.
- b. When engaged in physical activity such as walking or running while maintaining social distancing from others of not less than six (6) feet.
- c. When alone or with members of the same household.
- d. When eating or drinking, whether in public or private.

4. Indoor Dining and Outdoor Dining – Restaurant With No Liquor License.

During the Declaration of Local State of Emergency, restaurants that do not have a liquor license and wish to provide outdoor dining not including the service of alcoholic liquor may continue do so subject to Village Ordinance 1996-20 and Phase 4 of the Restore Illinois Plan Guidelines for Restaurants and Bars and the Governor's Executive Order 2020-63. All Phase 4 capacity limitations and regulations regarding social distancing and face coverings for holders of T-E licenses set forth in Item 3 of this Executive Order shall apply equally to restaurants

without liquor licenses. All resurgence mitigation regulations set forth in Item 3 of this Executive Order and Governor's Executive Order 2020-63 effective October 28, 2020, shall apply equally to restaurants without liquor licenses.

5. **Village Regulations Apply.** All restaurants whether licensed to serve alcohol beverages, or not, and all T-E license holders wishing to continue to provide outdoor dining and/or service of alcoholic liquor (if applicable), and indoor dining shall meet all State and Village health, sanitation, inspection and permitting requirements.
6. **Delivery and Carryout of Mixed Drinks and Cocktails for Consumption Off-Premises.** Delivery and carryout of mixed drinks and cocktails for consumption off-premises may continue during the effective period of the Declaration of Local State of Emergency by a holder of a T-E license to June 2, 2021-as set forth in Village Ordinance 1994-20 and additional Village ordinances.
7. **T-E Licensees – Additional State Law Requirements.** This Executive Order Supplement #9 continues the requirements for T-E licensees for off-premises consumption set forth in Village Ordinance 1994-20 and additional Village ordinances.
8. **Insurance Requirements.** This Executive Order Supplement #9 continues the insurance requirements for T-E licensees set forth in Village Ordinance 1994-20.
9. **Phase 4 Capacity Limits for Other Types of Businesses and Services – Region 10 Resurgent Mitigation Measures.** The Governor's resurgence mitigation regulations with respect for Region 10 for Meeting, Social Events and Gatherings apply to businesses other than bars and restaurants and are effective on Wednesday October 28, 2020. These are:
 - Meetings, social events and gatherings (including weddings, funerals, potlucks, etc.)**
 - Limit to lesser of 25 guests or 25% of overall room capacity both indoors and outdoors
 - No party buses
 - Gaming and Casinos close at 11:00 p.m., are limited to 25 percent capacity, and follow mitigations for bars and restaurants, if applicable.
 - Organized group recreational activities (fitness centers, sports, etc.)**
 - No change
 - All Sports Guidance effective August 15, 2020, remains in effect
 - Outdoor Activities (not included in the above exposure settings) continue per current DCEO guidance

Workers and patrons must follow the Phase 4 health and safety guidelines established by the Illinois Department of Public Health and Governor Pritzker's Executive Order 2020-43 dated June 26, 2020, that requires all individuals to wear face coverings when it is not possible to maintain six (6) feet of separation from people outside of your home.
10. **Video Gaming.** The Illinois Gaming Board has announced that as of October 28, 2020 in Region 10 (suburban Cook County) that video gaming locations are subject to mitigation protocols and that food and beverage service in video gaming locations is suspended. Outdoor service, curbside and carryout is permitted. Current mitigation measures will remain in effect, so that all video gaming operations at all licensed video gaming locations will be limited to the hours of 8:00 AM to 11:00 PM daily - with no exceptions. Masks must be worn at

all times inside the video gaming area. Congregating around video gaming terminals is prohibited and there is a one person per video gaming terminal limitation. Existing social distancing, sanitizing and other mitigation protocols and measures in approved Terminal Operator Pandemic Resumption Plans remain in effect.

The Illinois Gaming Board's Resumption Protocols for terminal operators are on the Gaming Board's website and include: a six (6) foot separation between terminals or the installation of barriers between terminals; required face coverings and temperature screening for all employees and patrons; adherence to Phase 4 capacity and occupancy guidelines for bars and restaurants (but no in premises food or bar service as those services are suspended during the Restore Illinois Resurgence Plan mitigation period); and established cleaning protocols, provision of personal protective equipment, wipes, and hand sanitizer stations. The Governor's resurgence mitigation regulations with respect for Region 10 for Gaming and Casinos took effect on Wednesday October 28, 2020 and provide that Gaming and Casinos close at 11:00 p.m., are limited to 25 percent capacity, and follow mitigations for bars and restaurants, if applicable.

11. **No Block Parties.** Block parties will not be allowed for the remainder of the year and no permits will be issued.
12. **Resumption of Pace Bus Service.** Effective August 31, 2020, the Village Pace Bus service has an expanded schedule of Mondays, Wednesdays, and Fridays from 8:00 A.M. to 12:00 P.M. and 1:00 P.M. to 3:00 P.M. only.
13. **Village Hall Hours.** Village Hall hours are Monday – Friday 9:00 A.M. – 5:00 P.M. and Saturday 9:00 A.M. – 12:00 Noon.
14. **Face Coverings and Social Distancing.** To continue success in keeping the COVID-19 from spreading, Governor Pritzker's Executive Order 2020-43 dated June 26, 2020, requires all individuals to wear face coverings when it is not possible to maintain six (6) feet of separation from people outside of your home. Subsequent gubernatorial executive orders confirm these requirements. Everyone needs to follow health agency guidelines frequently wash your hands for at least twenty (20) seconds, avoid close contact with people who are sick, stay home when you are sick, cover your coughs and sneezes with a tissue and clean surfaces and objects that are frequently touched. Ordinance 1999-20 approved by the Village Board of Trustees on August 26, 2020 requires that all persons within Village boundaries engaging in any activity outside of their residence, while other people are present, shall wear protective face coverings when they must leave their home or report to work. Examples of when face coverings are required include, but are not limited to:
Examples of when face coverings are required include, but are not limited to:
 - Shopping or working at retail businesses, like grocery stores or pharmacies;
 - Picking up food from a drive-through or curbside pickup;
 - Visiting a health care provider;
 - Traveling on public transportation, taxis or rideshare;
 - Interacting with customers, clients, or coworkers at a place of business or worship that is open to the general public;
 - Performing services for state and local government agencies, where close interactions with other people are unavoidable; and
 - When feeling sick, coughing, or sneezing or otherwise ill.

Updated DCEO *Safety Guidelines For Patrons of Restaurants and Bars* effective August 26, 2020 are included in Item 3 of this Executive Order and requires patrons of bars and restaurants to wear face coverings over their nose and mouth in additional circumstances.

15. **Expiration Date.** This Executive Order Supplement #9 shall remain in effect until November 30, 2020, or until further order of the Village President and the Local Liquor Commissioner, or repeal or amendment of these regulations by ordinance by the Village President and Village Board of Trustees, or unless superseded by State law, or by further Executive Order of the Governor of the State of Illinois, whichever is earlier.
16. **Governor's Authority.** Nothing in this Executive Order Supplement #9 shall supersede the Governor's authority and any orders that may be issued by the Governor related to the operation of businesses and/or the sale of alcoholic liquor in the State of Illinois.
17. **Enforcement.** The Governor's Executive Order 2020-55 dated September 19, 2020, may be enforced by local law enforcement pursuant to Section 7, Section 15, Section 18, and Section 19 of the Illinois Emergency Management Agency Act, 20 ILCS 3305 and applicable Village Ordinances. This Executive Order Supplement #9 and all prior Executive Orders may also be enforced by local law enforcement pursuant to Chapter 26, Section 1 of the Revised Municipal Code of the Village of Norridge – 2002.
18. **Effective Date.** This Executive Order Supplement #9 shall be effective immediately upon its promulgation and shall be deposited with the Village Clerk, posted at Village Hall, and entered on the Village's website.

PUBLIC COMMENTS:

Anyone unable to attend the meeting in person was instructed to e-mail the Village Administrator at jskupien@villageofnorridge.com with public comment. She read public comments on their behalf. The Village Clerk recorded the comments as part of the official meeting minutes.

Riccardo Mora submitted comments via email

Congratulations to President Tannhauser on his appointment to President

Two years ago Mr. Mora addressed the board in regards to donation boxes throughout the Village. He forwarded pictures to Brian Gaseor of the boxes that are overloaded and look terrible. Two near Red Lobster on Cumberland continue to be full with items standing outside of the box. The bank on Lawrence looks the same. Through the Freedom of Information Act Mr. Mora asked about an ordinance or law for the Village to fine these drop boxes or if the Village had any control over them. He found out there are no ordinances or rules regarding the boxes that seem to pop up everywhere. They are unsightly. With the Salvation Army located in town and open collecting items daily do we need these drop boxes? Mr. Mora is again asking the Board to do something about them.

Wally Biszczuk commented in person

Mr. Biszczuk attended a board meeting one year ago and asked about snow plowing at Divine Savior. He sees the public works trucks plowing in the morning and afternoon when it snows. He is a tax payer and he does not think that service should be provided to the church.

He is also asking for Brian Gaseor's resignation. According to Mr. Biszczuk Brian lies, he illegally gave someone paper work he should not have, he lied about his neighbors fence, the neighbors police report was wrong, he gave his neighbor incorrect information and had no proof of property owner.

His neighbor was arrested because the information given to him was incorrect. This innocent person that was arrested was a supporter of President Chmura. There are good polish people in the Village that are discriminated against. The Village should help people and not discriminate against them.

President Tannhauser gave a brief reply confirming that he met with Wally and the resident in question and resolved the situation when it was brought to his attention. Mr. Biszczuk agreed and confirmed.

Brian Gaseor stated for the record that he is 100% Polish.
