Hello, this is the Village of Norridge calling with an important message that contains a phone number that you may wish to write down. The phone number will be repeated twice in this message.

Please be advised that Cook County has established a vaccine hotline phone number to register for COVID-19 vaccine appointments in Cook County. The number is 833-308-1988. Also, please assist any seniors, peers and loved ones who do not have access to the internet by sharing this Vaccine Hotline number. Please be patient as it may take multiple attempts to get through. Once again, the Cook County Vaccine Hotline number is 833-308-1988.

Thank you and have a nice evening. Please stay safe.
