Due to Senator Martwick's and State Representative LaPointe's Covid-19 Vaccination event at Ridgewood High School on Wednesday, April 28th, there will be an increase in traffic around the high school. If you can, please avoid this area between 8:00 A.M. and 5:00 P.M. this Wednesday.

Also, there are still spots available if you wish to sign up for a vaccine. Appointments are necessary, and you can find the link on the Village's Facebook page. If you do not have a FB account, please call our office at 708-453-0800 and we will e-mail you the link. You may also call 312-572-9632 for sign up information.

Thank you and have a nice evening.
