Jack Bielak

Andrew Ronstadt

Debra J. Budnik

Frank Avino, Jr.

December 20, 2021

***“Hello, this is the Village of Norridge calling to remind you that as of October 1, 2021, the Village of Norridge's new snow route parking restrictions for streets in non-Designated snow route areas went into effect. A list of these changes were in the October and December issues of our newsletter, and are currently listed on the home page of our website.*”**

***After 2 or more inches of snow have fallen, all snow route restrictions will go into effect and enforcement will begin. The snow hotline is 708-583-5775 and will be updated to reflect that the restrictions are now in effect. Our website and Facebook page will also be updated at that time. No additional Blackboard Connect calls will be sent. Once the restrictions have been lifted, the hotline, website and Facebook page will once again be updated.***

***To view all snow route maps, please visit our website at [www.villageofnorridge.com](http://www.villageofnorridge.com). If you have any questions, please contact the Village Hall at 708-453-0800. Thank you and have a nice evening.”***
